

KAIELA-DUNGALA / VESSELS OF LIFE

Presented in partnership
with Kaiela Arts Shepparton

**29 FEBRUARY –
19 APRIL 2020**

The Koorie Heritage Trust is proud to present, in partnership with Kaiela Arts Shepparton, Kaiela Dungala and Vessels of Life. Our partnership with Kaiela Arts in presenting these exhibitions reflect our commitment to strengthening our relationships with our Victorian Aboriginal regional communities and to promote and celebrate our continuing living Victorian Aboriginal culture.

Established in 2006, Kaiela Arts Shepparton is an innovative art space and a viable community-based cultural enterprise for Aboriginal artists and designers of the Kaiela Dungala region. In particular, Kaiela Arts Shepparton provides an important space for artists and the community to connect with art and culture of the region.

Established in 1985 and based at Federation Square, the Koorie Heritage Trust is a bold and innovative 21st century not-for-profit arts and cultural organisation. Aboriginal owned and managed, we also provide opportunities for all people to learn, connect and re-connect with the rich, living cultural heritage of Aboriginal Victoria originating from a 60,000-year-old history. The acceptance of First Nations Australians comes through reconciliation, and at the Koorie Heritage Trust, we have been bridging the gap between all people for over 30 years. The clasped black and white hands in our logo reflect our belief that working together, we can raise awareness and appreciation of the cultural diversity of Koorie culture and work towards the broader goal of reconciliation for all.

We are grateful for the support of our program partners: Creative Victoria, the City of Melbourne and the Indigenous Visual Arts Industry Support program. In addition, we acknowledge the support of our exhibition partners Gandel Philanthropy and the Metro Tunnel Creative Program, as well as our public program supporters Viva Energy Australia, Krystyna Campbell-Pretty and Family, and the Jon Faine Farewell Broadcast Fundraising Appeal.
